Analysed, Verified, Selected and Recorded by,
Prof. Ajit Kumar Das,

HoD, Mathematics and Superintendent, Old Boys Hostel, Sibsagar College, Joysagar

FIRST PRIORITY : DISTANCE FROM HOME TO COLLEGE

SECOND PRIORITY : PERCENTAGE 50 AND ABOVE

The following situations are forecasted in Hostel Admission with Precautionary Measures. It is advisable for parents to read out the Points carefully before viewing the list of selected students.

- Students living in far distance but percentages are less than 50 are not considered.*
- Students having extremely excellent percentages but their home distances are less than that of the last applicant i.e. Sl. No.17 of this selection list are not considered as **Distance is the first priority with minimum 50 percent marks.***
- Students having long distances and percentages (50 or more than 50) but if applied after 23rd August are not considered as the last date of Online Form Submission for Hostel Admission was 23rd August 2020.*
- In case there are more than one applicant, having same distance competing for one seat for example, then preference has been given to that applicant having higher marks.*
- In case there are more than one applicant with exactly same distance and same marks competing for one seat for example, then in such special cases other criteria like highest marks in Major Subject or Performance in co-curricular activities or some other criteria have been planned and applied on time.*
- In case of any wrong information provided by the applicant regarding distance, that applicant will be solely responsible for further circumstances.*
- Students may mail to ajitkumardas369@gmail.com or send message to WhatsApp number 9435355217 mentioning the title "Hostel Admission related Query" or to know the further process of hostel admission. All your queries will be answered and the doubts will be cleared with logical proof.*
